

RELIANCE PARTNERS FINALIZES THE SALE OF FIVE GUYS BURGERS AND FRIES

January 09, 2014 07:01 AM Eastern Standard Time

LAS VEGAS, Nevada--(BUSINESS WIRE)--Reliance Partners, Inc., a premier global investment bank, has finalized the sale of the Five Guys Burgers and Fries territory in the State of Nevada, USA. According to Forbes, Five Guys Burgers and Fries is the fastest growing restaurant chain in the United States of America. The private burger franchise accounts for more than half of the so-called 'better burger' market in the United States and is officially the fastest expanding restaurant chain ever.

Reliance Partners, Inc. provided investment banking advisory, mergers and acquisitions advisory, sell-side advisory, and business consulting services for the US \$10,250,000 disposition of the Five Guys Burgers and Fries territory in Nevada, USA. The territory includes the development agreement/territory rights for the entire State of Nevada, along with eight opened and operating franchised restaurants. Several additional Five Guys Burgers and Fries franchises are expected to open in Nevada in 2014.

Reliance Partners presented Five Guys Burgers and Fries (Nevada) as an acquisition target to an advisory firm that sought out the investment bank to source investment opportunities for private investors represented by the advisory firm. Reliance Partners has access to select business and investment opportunities and diverse sources of capital. The privately owned independent investment bank has a well-established domestic and international network of investors and funding sources.

After introducing Five Guys Burgers and Fries (Nevada) as an acquisition target, Reliance Partners provided investment banking advisory, mergers and acquisitions advisory, sell-side advisory, and business consulting services to the owners of the Five Guys Burgers and Fries territory to dispose of the business. Reliance Partners is able to provide buy-side and sell-side representation to businesses and franchises along with a full suite of investment banking advisory and business consulting services. For over a decade, Reliance Partners has provided high caliber investment banking advisory services to companies around the globe.
